- \*White polo shirt with school badge
- \*Green school sweatshirt
- \*Grey school shorts
- Grey socks
- \*Green School legionnaire sun hat
- Black pumps
- \***School GREEN ruck sack**

All uniform that has an asterisk beside it must be purchased from Rawcliffes, our onsite uniform shop. (Blazers in the smallest sizes are specially made to order and will need to be ordered several months in advance)

All items must be named.

All uniform can be worn comfortably with a nappy. We understand that the black pumps are sometimes unavailable in sizes smaller than 5. If you are unable to find their size, we ask that children wear alternative comfortable full shoes with socks. Peep toes, sling backs, flip flops etc are not safe in a school environment. We also ask that parents bring a labelled water bottle and preferred factor of sun cream. A sun hat is also required during the summer if you choose not to buy the school legionnaire hat.

## NAPPY BAGS

Every child must come to Nursery on their first day with a nappy

bag. The contents should include:

- A supply of the parents' preferred brand of nappies.
- The parents' preferred brand of body lotion, barrier cream, talcum powder or any other preferred items used when changing their child's nappy.

- A full change of clothing for their child.
