## Craft Week

8th—12th August 2011

# About Craft Week...

Experience the Orient in a week packed full with creativity, story telling and (of course) dragons! Discover traditional Chinese and Japanese crafts and enjoy designing and decorating your own T-shirt.

What the children said about Craft Week last year...

*"In Craft Week I learned about Red Indians, about squaws, chiefs, braves and peace pipes. It was really good fun and I am already looking forward to 2011!"*

*"The Indians gave dreamcatchers to children to give them sweet dreams. We made a charm with safety pins to keep away evil spirits."*

*"At Craft Week I made things I never knew I could, like a gecko out of beads, a rainmaker, a dreamcatcher and a charm."*

*"I thought the tie-dye was great. We sewed beads on the tie-dyed cloth and then we laid it on the tepee. It looked amazing!"*

Craft Week is for anyone aged 7—11 who enjoys arts and crafts. It will be organised and run by Westholme Staff, with the help of some sixth form students.
