

Turning Vision into Reality

Gift Aid It

Completing a Gift Aid form enables the School to increase the value of your gift by at least 28%. If you are a higher rate tax payer (40%) you will be able to claim a further 18% tax relief on the gross value of your gift, or make an additional donation to your chosen fund.

Testimonials

“ Westholme’s strength lies in its ability to prepare its pupils for the world in a balanced, even and realistic way. There is a prevailing sense of community and team spirit, amongst a genuine cultural mix. The result is that there is no such thing as a dull pupil at Westholme. Although the school has a strong academic bent, it is not so overarching as to disregard the wealth of other talents its children have. On the contrary, it does all it can to nurture them. That is why these three appeal projects are all vital to keep the momentum of the school going – sport and the arts will give the pupils that well rounded quality which is so important for life ahead. ”

“ I am honoured to be asked to be a Patron for this appeal. Westholme is a tremendous school and has brought out the very best in my daughter. It is good to be able to give something back to uphold the excellent facilities of the school. Westholme itself has such a get up and go attitude; we should reflect this in the appeal to reach our targets. ”

“ I will be eternally grateful to Westholme as a parent of a daughter who struggled. She was never the smartest in the class but at every stage the teachers encouraged her and she emerged at 18 with her head held high. If your child has a talent they will find it. We have always been welcomed at Westholme as a whole family, all the way through lower, middle and upper schools. This is our opportunity to give something back. ”

“ Westholme manifests itself everyday in my children. As they put on their blazers they are proud to be part of this family. They believe they can do anything; not with arrogance but with calm self assurance. The school is showing them daily how to embrace life, and I am grateful for that. We should all support this campaign to maintain Westholme’s vitality through investing in facilities and bursaries. It is a wonderful school and what a great thing that we can open it up to even more children. ”
