UNIFORM

Uniform is compulsory at Billinge House. Please label all clothing including aprons, bags, hats, gloves, shoes, pumps, hair bobbles etc.

BOYS - Caps need not be worn with summer uniform, but during winter when overcoats are worn, they **MUST** be worn. Cotton legionnaire hats are available for summer

GIRLS - Hair ribbon, if worn, must be purple and hair slides must be purple or brown. Jewellery is not allowed and any badges worn must be those awarded by the School. Cotton legionnaire style hats are available for summer

Berets need not be worn with summer uniform, but during winter when overcoats are worn, they **MUST** be worn.

Wellington boots need to be kept in school. These should be labelled and a named "welly peg" will be required to peg them together.

Shoes with Velcro and buckle fastenings are easier for your child to manage. Laces are frustrating for both child and teacher. Boots and open toed or sling back sandals are not allowed.

Please attach a large, strong loop (thick elastic is ideal) to coats, blazers, aprons etc to make it easier for your child to hang items on hooks.

Uniform lists and special reminders concerning uniform are attached. Winter uniform is compulsory on the first Monday in October and summer uniform is compulsory at the beginning of May. Notice is given of Second-Hand Uniform Sales run by the Westholme Association. There is always one within a fortnight of the beginning of the September term. Parents are always given written notice of other occasions.

In the case of items asterisked, no variation from the official pattern is permitted and these articles must be obtained from Rawcliffe's, School Uniform Shop, Wilmar Lodge, Meins Road, Blackburn, BB2 6QU. Telephone 01254 660827.

ALL ARTICLES MUST BE CLEARLY MARKED WITH THE PUPIL'S NAME
