Safer Recruitment, Selection and Disclosure Policy and Procedure

Monitoring, evaluation and review:

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.

Westholme School is committed to providing the best possible care and education to its children; their welfare is our priority. This policy outlines our commitment to safeguarding and promoting the welfare of children who are pupils at the school, by ensuring that we provide a safe environment for them to learn in an education setting. In order to achieve this, the School operates safer recruitment procedures which ensure that all required regulatory checks are carried out on staff, volunteers and supply/contractors who work with children. The School have implemented systems designed to prevent unsuitable people working with our pupils. These systems comply with the guidance given by the DfE as defined in "Keeping Children Safe in Education" (KCSIE) September 2023 and form an element of the School's Safeguarding Policy.

The School is an Equal Opportunities employer and recruitment procedures will be carried out regardless of age, ability, status, gender, sexual orientation or ethnic group and with due regard to any medical or other disability.

The Board of Governors undertakes an annual review of the School's policies and procedures relating to safeguarding to ensure that the specified duties have been carried out.

The Principal and Governors always ensure that at least one person on every recruitment panel is trained in safer recruitment.

The aims of the School's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position

- to ensure that all job applicants are considered equally and consistently
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, gender reassignment, disability or age
- to ensure compliance with all relevant legislation, recommendations and guidance including the Education (Independent School Standards) Regulations 2014 (**ISSRs**), the statutory guidance published by the Department for Education (**DfE**), *Keeping children safe in education* (1 September 2023) (**KCSIE**), *Disqualification under the Childcare Act 2006* (**DUCA**), the Prevent Duty Guidance for England and Wales 2015 (the **Prevent Duty Guidance**) and any guidance or code of practice published by the Disclosure and Barring Service (**DBS**); and
- to ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

1 Data Protection

The School is legally required to carry out the pre-appointment checks detailed in this procedure. Staff and prospective staff will be required to provide certain information to the School to enable the School to carry out the checks that are applicable to their role. The School will also be required to provide certain information to third parties, such as the Disclosure and Barring Service and the Teaching Regulation Agency. Failure to provide requested information may result in the School not being able to meet its employment, safeguarding or legal obligations.

The School records the date and type of all pre-employment checks undertaken, this is stored on the School's Single Central Register (SCR). The SCR is reviewed each term by the Principal and nominated Governor. The Head of HR/Operations is responsible for ensuring the SCR is up-to-date and accurate.

The School will process personal information in accordance with its Staff Privacy Notice.

2 Recruitment and selection procedure

All applicants for employment will be required to complete an **application form** containing questions about their academic and employment history and their suitability for the role. Applicants will also be asked to provide details of their online profile, including account names and social media handles so that online searches can be carried out on shortlisted candidates (see section 4 for more information). This information must be provided by the applicant in order for the application to be accepted.

Incomplete application forms will be returned to the applicant where the application deadline has not passed. Should there be any gaps in academic or employment history, a satisfactory explanation must be provided. A curriculum vitae will not be accepted in place of the completed application form.

Applicants will receive a job description and person specification for the role applied for.

This policy and the School's safeguarding policy/procedures are available to download from the School's website (these can be printed and forwarded to applicants on request).

The School will then conduct a shortlisting exercise by reviewing all application forms received in order to determine which applicants will be invited for interview. The shortlisting exercise will usually be conducted by two members of staff (Ideally the Principal and Head of HR/Deputy Head/Assistant Head).

Shortlisted applicants will be invited to attend a **formal interview** at which their skills and experience will be discussed in more detail. All shortlisted applicants will be tested at interview about their suitability to work with children. Safeguarding questions are asked at interview and any career gaps identified on the application form are investigated.

All shortlisted applicants will be required to complete a self-declaration as part of the application process prior to interview, in which they will be asked to provide information about their criminal records history and other factors relevant to their suitability to work with children. This information will be considered and discussed with applicants at interview.

If the School decides to make an offer of employment following the **formal interview**, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the School's standard terms and conditions of employment
- verification of the applicant's identity (where that has not previously been verified)
- verification of qualifications, whether professional or otherwise, which the School takes into account in making the appointment decision, or which are referred to in the application form, whether a requirement for the role or not
- verification of the applicant's employment history
- the School being satisfied that any information generated through online searches does not make the applicant unsuitable to work at the School;
- the receipt of two references (one of which must be from the applicant's most recent employer) which the School considers to be satisfactory
- for positions which involve "teaching work", information about whether the applicant has ever been referred to, or is the subject of a sanction, restriction or prohibition issued by the Teaching Regulation Agency which renders them unable or unsuitable to work at the School
- where the position amounts to "regulated activity, School will require the receipt of an enhanced disclosure from the DBS which the School considers to be satisfactory
- where the position amounts to "regulated activity", the School will require confirmation that the applicant is not named on the Children's Barred List
- information about whether the applicant has ever been subject to a direction under section 142 of the Education Act 2002 which renders them unable or unsuitable to work at the School (Children's Barred List Check)
- for management positions, information about whether the applicant has ever been referred to the Department for Education, or is the subject of a direction under section 128 of the Education and Skills Act 2008 which renders them unable or unsuitable to work at the School
- confirmation that the applicant is not disqualified from acting as a trustee / governor or senior manager of a charity under the Charities Act 2011 (if applicable)
- confirmation that the applicant is not disqualified from working in connection with early or later years provision (Under 8 declaration)
- verification of the applicant's medical fitness for the role
- verification of the applicant's right to work in the UK; and
- any further checks which the School decides are necessary as a result of the applicant having lived or worked outside of the UK which may include an overseas criminal records check, certificate of good conduct or professional references.

The School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The School is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in regulated activity. It is however likely that in nearly all cases the School will be able to carry out an enhanced DBS check and a Children's Barred List check.

3 Pre-Employment Checks

In accordance with the recommendations set out in KCSIE, ISSRs and DUCA requirements the School carries out a number of pre-employment checks in respect of all prospective staff.

In fulfilling its obligations to carry out pre-employment checks the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, gender reassignment, disability or age.

Online searches

In addition to the checks set out below, the School reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the School. In accordance with KCSIE 2023, this will include online searches on shortlisted candidates (**online searches**). The online searches the School carries out may include searches of internet search engines, websites and social media platforms. Applicants are asked (prior to interview) to provide details of their online profile, including account names and social media handles. This information will be used to carry out online searches. **Applicants are not required to provide account passwords or to grant the School access to private social media accounts.**

Online searches may be carried out at the shortlisting stage or after an offer of employment has been made (but prior to work commencing). The School will not carry out online searches as part of its initial sift of applications.

The School will determine how it approaches online searches on a case by case basis. However, all applicants for a role at the School will be treated consistently with regard to online searches.

Wherever possible online searches will be undertaken by a person who will play no other part in the recruitment process (including the shortlisting exercise) or the appointment decision. In carrying out online searches the School is looking for any publicly available information about an applicant that:

- may be relevant to their suitability to carry out the role for which they have applied;
- may be relevant to their suitability to work at the School or in an education setting;
- is of a safeguarding nature; and/or
- may have an impact on the School's reputation (whether positive or negative).

Where online searches are undertaken on shortlisted applicants any relevant information generated will be provided to the interview panel for discussion with shortlisted applicants at interview. All offers of employment will be conditional upon the School being satisfied that the successful applicant is suitable to work at the School in light of any information generated from online searches.

In evaluating any online information for relevance, the School will use the following criteria:

- whether the information is relevant to the position applied for;

- whether the information is relevant to the applicant's suitability to work at the School or in an education setting;
- whether the information could have an impact on the School's reputation (whether positive or negative);
- whether the information calls into doubt the applicant's willingness or ability to uphold the School's commitment to safeguarding and promoting the welfare of children;
- the length of time since the information became publicly available and whether the applicant's circumstances have changed since the information was published;
- whether the information reveals a pattern of concerning behaviour; and
- the relevant circumstances and the explanation(s) offered by the applicant.

For successful candidates, the School will retain information generated through online searches for the duration of the individual's employment and in accordance with its Retention of Records Policy after employment ends.

For unsuccessful candidates, the School retains the information generated from online searches for six months from the date on which they are informed their application was unsuccessful, after which it will be securely destroyed.

3.1 **Verification of identity, address, right to work in the UK and qualifications**

All applicants who are invited to an interview will be required to bring with them evidence of their identity, right to work in the UK, address and qualifications.

The School asks for this information at interview to ensure that the person attending interview is who they claim to be, that they are permitted to work for the School if appointed and that they hold appropriate qualifications.

Identity and address: all applicants must bring with them to interview, original documents which evidence their identity and address as set out below and in the list of valid identity documents at Appendix 1 (these requirements comply with DBS identity checking guidelines):

- one document from Group 1; and
- two further documents from either of Group 1, Group 2a or Group 2b, one of which must verify the applicant's current address; and

Where an applicant claims to have changed their name by deed poll or any other means (e.g. marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change. They will also be required to provide their birth certificate.

The School asks for the date of birth of all applicants in order to verify identity and check for any unexplained discrepancies in the employment and education history. The School does not discriminate on the grounds of age.

Right to work in the UK: all applicants must also bring to interview a valid form of evidence which confirms their right to work in the UK. Valid forms of evidence can be found in the Home Office 'Right to Work Checklist': [Right to work checklist - GOV.UK \(www.gov.uk\)](https://www.gov.uk/right-to-work-checklist)

The School will check this evidence in accordance with the Home Office 'Code of Practice on preventing illegal working: Civil penalty scheme for employers: 1 July 2021' (Code of practice on preventing illegal working).

Qualifications: all applicants must also bring to interview original documents which evidence any educational and professional qualifications referred to in their application form and / or which the School requests.

3.2 References

References will be taken up on short listed applicants prior to interview where possible.

Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the School. One of the references must be from the applicant's current or most recent employer. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children.

All referees will be sent a copy of the job description and person specification for the role for which the applicant has applied. If the referee is a current or previous employer, they will also be asked to confirm the following:

- the applicant's dates of employment, salary, job title / duties, reason for leaving, performance, sickness* and disciplinary record
- whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired), except where the issues were deemed to have resulted from allegations which were found to be unsubstantiated, unfounded, false or malicious
- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people, except where the allegation or concerns were found to be unsubstantiated, unfounded, false or malicious
- whether the applicant could be considered to be involved in "extremism"

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

The School will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

If it has not been possible to obtain a reference prior to interview it will be reviewed upon receipt. Any discrepancies identified between the reference and the application form and/or the interview assessment form will be considered by the School.

If factual references are received i.e. those which contain limited information such as job title and dates of employment, this will not necessarily disadvantage an applicant although additional references may be sought before an appointment can be confirmed.

The School will seek to confirm references provided, have been obtained from a legitimate source to verify the details of the written reference provided.

All internal candidates who apply for a new role at the School will have their application assessed in accordance with this procedure. References may be taken up on internal candidates as part of the application process and can be provided by colleagues as the School will be the most recent employer and will previously have taken up references from past employers.

3.3 Criminal records checks

Prior to 29 May 2013 an enhanced disclosure contained details of all convictions on record (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. It could also contain non-conviction information from local police records which a chief police officer considered relevant to the role applied for at the School.

3.3.1 DBS filtering rules

With effect from 29 May 2013 the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The filtering rules developed by the DBS and the Home Office designate certain spent convictions and cautions as "protected". "Protected" convictions and cautions are not included in a DBS certificate and job applicants are not required to disclose them during the recruitment process. It is unlawful for an employer to take into account a conviction or caution that should not have been disclosed. If a protected conviction or caution is inadvertently disclosed to the School during the recruitment process it must be disregarded when making a recruitment decision.

A conviction will always be disclosable if it was imposed for a "specified offence" committed at any age. A caution issued for a "specified offence" committed over the age of 18 will always be disclosable. However, a caution issued for a "specified offence" committed under the age of 18 is never disclosable. "Specified offences" are usually of a serious violent or sexual nature, or are relevant for safeguarding children and vulnerable adults. The list of "specified offences" can be found at:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>

The filtering rules have recently been updated and work as follows:

3.3.2 Regulated activity

The School applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information. Any position undertaken at, or on behalf of the School will amount to "regulated activity" if it is carried out:

- (a) frequently, meaning once a week or more; or
- (b) overnight, meaning between 2.00 am and 6.00 am; or
- (c) satisfies the "period condition", meaning four times or more in a 30 day period; and
- (d) provides the opportunity for contact with children.

Roles which are carried out on an unpaid / voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.

It is for the School to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances. However, nearly all posts at the School amount to regulated activity. Limited exceptions could include an administrative post undertaken on a

temporary basis in the School office outside of term time or voluntary posts which are supervised.

3.3.3 The DBS disclosure certificate

The DBS issues the DBS disclosure certificate to the subject of the check only, rather than to the School, the School use a third party handler to obtain DBS certificates. Once the applicant has received their certificate the third party handler sends the School a 'data protection friendly version', which will outline if disclosures are contained. If the School has been notified that disclosures are contained the School will notify the applicant to request that the original certificate is provided to the School. It is a condition of employment that the **original** disclosure certificate is provided to the School within 1 weeks of it being requested. Original certificates should not be sent by post. A convenient time and date for bringing the certificate into the School should be arranged with the Head of HR/Operations. Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the School.

All employees have an on-going duty to inform the School if their circumstances change, in that they have received a caution, reprimand, final warning or criminal conviction since commencement in post or since their last self-declaration. All employees (biannual basis) are asked to complete a self-declaration. Any failure to disclose relevant information relating to changes in circumstances, will be treated as a serious disciplinary matter and may lead to dismissal for gross misconduct.

3.3.4 Starting work pending receipt of the DBS disclosure

If there is a delay in receiving a DBS disclosure, the Principal has the discretion to allow an individual to begin work pending receipt of the disclosure certificate. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to regulated activity), have been completed and once appropriate supervision has been put in place.

3.3.5 Applicants with periods of overseas residence

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. The School will take into account the "DBS unusual addresses guide" in such circumstances.

For applicants who are living overseas, or who have lived overseas previously, obtaining a DBS certificate may be insufficient to establish their suitability to work at the School. The School's policy is to request such information from each overseas country in which the applicant has lived for a period of three months or more in the previous three years.

When requesting such information the School has regard to relevant government guidance and will therefore always require the applicant to apply for a formal check from the country in question i.e. a criminal records check (or equivalent) or a certificate of good conduct.

The School recognises that formal checks are not available from some countries, that they can be significantly delayed or that a response may not be provided. In such circumstances the School will seek to obtain further information from the country in question, such as a reference from any employment undertaken in that country.

If no information is available from a particular country the School may allow an applicant to commence work if they are considered suitable based on all of the information that has been obtained during the recruitment process.

The School will take proportionate risk based decisions on a person's suitability in these circumstances. All suitability assessments must be documented and retained on file

If the formal check is delayed and the School is not satisfied about the applicant's suitability in the absence of that information, the applicant's proposed start date may be delayed until the formal check is received.

3.4 Prohibition from teaching check

The School is required to check whether staff who carry out "teaching work" are prohibited from doing so. The School uses the Teaching Regulation Agency Teacher Services system to check whether successful applicants are the subject of a prohibition, or interim prohibition order issued by a professional conduct panel on behalf of the Teaching Regulation Agency.

The School applies the definition of "teaching work" set out in the Teachers' Disciplinary (England) Regulations 2012, which state that the following activities amount to "teaching work":

- planning and preparing lessons and courses for pupils
- delivering lessons to pupils
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.

3.5 Prohibition from management check

The School is required to check whether any applicant for a management position is subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school (a **section 128 direction**).

The School will carry out checks for section 128 directions when appointing applicants into management positions from both outside the School and by internal promotion.

This check applies to appointments to the following positions made on or after 12 August 2015:

- Principal
- teaching posts on the senior leadership team
- teaching posts which carry a departmental head role; and
- support staff posts with management responsibility

The School will assess on a case by case basis whether the check should be carried out when appointments are made to teaching and support staff roles which carry additional responsibilities.

All individuals who are appointed to the governing body will be subject to a section 128 direction check. The relevant check is obtained through the Teaching Regulation Agency Teacher Services system.

3.6 Disqualification from acting as a charity trustee or senior manager

3.6.1 Background

Under the Charities Act 2011 it is a criminal offence for a person to act as a trustee or senior manager of a charity when disqualified from doing so. The Charities Act 2011 sets out the grounds on which a person can be disqualified from acting as a trustee or senior manager. These include various spent and unspent criminal offences and other sanctions.

3.6.2 Who is covered

As an independent school, the governors of the school are considered to be the charity trustee.

Senior managers include those employees who report directly to the charity trustees or have responsibility for the overall management and control of the charity's finances. At the School the disqualification rules will be applicable to all governors, the Principal and Commercial Director who report directly to the governors.

There is no single list or register that covers all of the disqualification criteria and the School therefore adopts a pragmatic approach to checking whether a person is disqualified. This is achieved by the use of a self-declaration form.

3.6.3 Self-declaration

All those who are covered by the disqualification rules are required to complete a self-declaration form to confirm whether, to the best of their knowledge, they are subject to any of the disqualification criteria.

A failure to disclose relevant information, or the provision of false information, which subsequently comes to the School's attention may result in the termination of an appointment as a governor or senior manager or the withdrawal of an offer of employment and may also amount to a criminal offence.

All those who are required to complete a self-declaration form are also under an ongoing duty to inform the School if there is a change in their circumstances that results or may result in them becoming disqualified from acting as a governor or senior manager.

3.7 Childcare disqualification

The Childcare Act 2006 (**Act**) and the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018 (**Regulations**) state that it is an offence for the School to employ anyone in connection with early years provision (**EYP**) or later years provision (**LYP**) who is disqualified, or for a disqualified person to be directly involved in the management of EYP or LYP.

3.7.1 Grounds for disqualification

The grounds on which a person will be disqualified from working in connection with EYP or LYP are set out in the Regulations. They are not only that a person is barred from working with children (by inclusion on the Children's Barred List) but also include:

- (a) having been cautioned (after 6 April 2007) for, or convicted of, certain criminal offences including violent and sexual criminal offences against children and adults whether committed in the United Kingdom or overseas;
- (b) various grounds relating to the care of children, including where an order is made in respect of a child under the person's care;
- (c) having been refused registration for the provision of childcare (including nurseries, day care and child minding or other childcare), having been disqualified from any such registration or having had that registration cancelled;
- (d) having been refused an application for registration of a children's home or having had any such registration cancelled; or
- (e) having been prohibited, restricted or disqualified from private fostering.

3.7.2 Self-declaration form

All applicants to whom an offer of employment is made to carry out a relevant role in EYP or LYP will be required to complete a self-declaration form confirming whether they meet any of the criteria for disqualification under the Regulations.

The School cannot permit any person who is currently disqualified to start work in a relevant role. The School also reserves the right at its absolute discretion to withdraw an offer of employment if, in the opinion of the School, any information disclosed in the self-declaration form renders that person unsuitable to work at the School.

Applicants who have any criminal records information to disclose about themselves must also provide the following information:

- (a) details of the order, restriction, conviction or caution and the date that this was made;
- (b) the relevant court or body and the sentence, if any, which was imposed; and
- (c) a copy of the relevant order or conviction.

Applicants are not required to disclose a caution or conviction for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering.

3.7.3 Continuing duty to disclose change in circumstances

After making this declaration staff in a relevant role are under an on-going duty to inform the School if their circumstances change in a way which would mean they subsequently meet any of the criteria for disqualification. Any failure to disclose relevant information now, or of a future change in circumstances, will be treated as a serious disciplinary matter and may lead to the withdrawal of a job offer or dismissal for gross misconduct.

3.8 Medical fitness

The School is legally required to verify the medical fitness of anyone to be appointed to a post at the School, after an offer of employment has been made but before the appointment can be confirmed.

Successful applicants will be required to sign a declaration of medical fitness confirming that there are no reasons, on grounds of mental or physical health, why they should not be able to discharge the responsibilities required by the role.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence, considering reasonable adjustments and suitable alternative employment.

4 Contractors and Agency Staff

The School must complete the same checks for contractors and their employees undertaking regulated activity at the School as it does for its own employees. The School requires written confirmation from the contractor that it has completed these checks on all of those individuals whom it intends will work at the School before any such individual can commence work at the School.

Agencies who supply staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identity of individuals supplied by contractors or an agency, check DBS provision is in place (confirmation of DBS details) and undertake a Children's Barred List (if applicable) before individuals can commence work at the School.

5 Volunteers

The School will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the School. The School will independently verify the identity details for all volunteers.

Under no circumstances will the School permit an unchecked volunteer to have unsupervised contact with pupils.

It is the School's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the School for three consecutive months or more. Those volunteers who are likely to be involved in activities with the School on a regular basis may be required to sign up to the DBS update service as this permits the School to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition the School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers
- informal safer recruitment interview.

6 Visiting Speakers and the Prevent Duty

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

All visiting speakers will be subject to the School's usual visitors protocol. This will include signing in and out at Reception, the wearing of a visitors badge at all times and being escorted by a fully vetted member of staff between appointments.

The School will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and / or permit a speaker to attend the School. In doing so the School will always have regard to the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states:

"Extremism" is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."

In fulfilling its Prevent Duty obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, gender reassignment, disability or age.

7 Policy on Recruitment of Ex-Offenders

7.1.1 Background

The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details disclosed. The School makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically bar them from employment with the School. Each case will be decided on its merits in accordance with the objective assessment criteria.

All positions within the School are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered "spent" **except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules.**

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the School to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the School. The School will make a report to the police and / or the DBS if:

- it receives an application from a barred person
- it is provided with false information in, or in support of an applicant's application; or
- it has serious concerns about an applicant's suitability to work with children.

7.2 Assessment criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question
- the seriousness of any offence or other matter revealed
- the length of time since the offence or other matter occurred
- whether the applicant has a pattern of offending behaviour or other relevant matters
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the applicant.

8 Whistleblowing and Exit Interviews

All staff are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of pupils, the conduct of staff or other matters, during the course of their employment in accordance with the School's policies (including the Whistleblowing Policy, the Safeguarding Policy and the Staff Code of Conduct). All staff receive training so that they understand the School's expectations. Safeguarding children is at the centre of the School's culture and is accordingly considered formally during staff performance development reviews and appraisal and finally at an exit interview.

9 Referrals to the DBS and Teaching Regulation Agency

This policy is primarily concerned with the promotion and practice of safer recruitment. However, applicants should also be aware that the School has legal responsibilities to fulfil when employment comes to an end. In particular, the School has a legal duty to make a referral to the DBS where:

- an individual has applied for a position at the School despite being barred from working with children; and / or
- an individual has been removed by the School from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

The DBS will consider whether to impose sanctions on that individual which may restrict or prevent them from working with children in future.

In addition, if a teacher is dismissed because they are found to have committed serious misconduct, or they have breached the Teachers' Standards, or they resign prior to dismissal on such grounds, the School will make a referral to the Teaching Regulation Agency.

The Teaching Regulation Agency will consider whether to impose a prohibition from teaching order.
