## **INSPIRED Sixth Form**

#### **DRESS CODE**

Sixth Form students should be regarded as role models for students lower down the School, and their standards of dress are an important part of the culture of the Sixth Form.

The aim of the dress code is to have a smart appearance that allows a degree of personal choice and encourages students to understand what is appropriate; School is a workplace and students' appearance should reflect that. They are expected to come to School in 'business dress' as they would for the workplace.

#### Suits

Students are expected to wear a smart suit that has a formal jacket with a skirt, dress or trousers (students will need a dark coloured suit for formal occasions, please see below). Alternatively, they may wear a smart jacket/blazer with coordinating skirt, dress or trousers. No clothing may be made from denim, leather, PVC or similar alternatives.

#### **Ties**

Sixth Form students may wear a School tie or an appropriate tie of their choice if they are wearing a formal shirt under their suit *Please note that male students will be expected to wear a tie at all times and that they must wear a School tie for formal occasions.* 

#### **Trousers**

If trousers are worn, they should be smart suit style trousers, not casual. This means that jeans, leggings, combat trousers, cords, chinos, hipsters and low-slung trousers are not allowed. Trousers should not include large logos, branding or inappropriate patterns.

#### Tops/Blouses/Shirts

Skirts or trousers should be worn with a shirt top, plain top or blouse which covers the shoulders, upper arms and midriff. It is not appropriate to wear a polo shirt, vest top, low-cut or see-through top. Large logos, branding or inappropriate patterns on the top or blouse are not allowed.

#### Skirts/Dresses

Skirts and dresses should be worn on or just above the knee. They should be tailored and not lycra or 'bodycon' style. It should not be possible to see through the material of the skirt.

#### **Jackets**

A smart jacket/blazer should be worn when moving around the School building (exceptions may be made in the summer months).

#### **Sweaters & Cardigans**

A plain light knit sweater or cardigan may be worn under the jacket as may a co-ordinating waistcoat. The sweater or cardigan should not include any large logos, branding or inappropriate patterns.

## **Hoodies, Scarves & Chunky Knit Garments**

Hoodies and chunky knit garments are not allowed to be worn around the School premises; however, they may be worn in the Common Room. Appropriate plain, short scarves that complement the uniform are permitted.

#### Coats

A smart, plain, short tailored coat may be worn in School in place of a jacket. The coat must not include any large logos, branding or inappropriate patterns.

### **Shoes**

Shoes must be appropriately smart, practical and sensible. Trainers or canvas shoes must not be worn. Ankle boots may be worn with trousers. Dr. Martens, Vans or large boots are not allowed.

### **Formal Dress**

On several occasions throughout the School year Sixth Form students will be expected to wear Formal Dress. For such occasions they should wear a dark-coloured suit with a white shirt or blouse or a dress. Male students will also wear the School tie and female students will wear their School badge/pin in the lapel of their jacket. Students will be told in advance when formal dress is to be worn.

### Sports Kit

When representing the School in sport, students must wear School sports kit, not their own attire. Sports kit must be worn only at the time of a practice or PE lesson; students should change in and out of their kit at the time of the event and must not attend School in sports kit for an entire day unless permission has been granted. Similarly, students requiring sports kit for enrichment should change at the time of the lesson and not beforehand.

### OTHER GUIDANCE

- INSPIRED Sixth Form students are permitted to wear jewellery but are asked to keep it minimal and discreet.
- Students may have a single, plain stud nose piercing (not nose ring), but are not allowed any other visible piercings (other than earrings). Students should not have any visible tattoos in their everyday uniform.
- Clothing that is too revealing or likely to cause embarrassment must be avoided.
- Students' hair should be well-kept, clean and moderate in style and length. Hair colour should be suitable for a professional business environment.
- No clothing with large logos, obscene slogans/messages, large branding or inappropriate patterns is permitted.
- Headscarves may be worn in the Sixth Form: they should be plain black.
- · Make-up and nail varnish may be worn but should be discreet.
- When students are wearing a dress or skirt they should wear tights and not socks. Bare legs should also be avoided.
- Trimmed beards and moustaches are a Sixth Form privilege as long as they are smart and tidy.

The above list is not meant to be exhaustive but instead represents a guideline to the meaning of 'business dress'. Because of the constant changes of fashion that take place, it has to remain the right of Senior staff, INSPIRED Sixth Form Tutors and the Head of INSPIRED Sixth Form to determine that a particular item of dress is not appropriate for School.

Students who turn up to School inappropriately dressed will be reprimanded by staff and persistent offenders will be asked to go home and change.

Please note that the same dress code applies when students sit external examinations.
