Issue 29
July 2011

New Faces

We have welcomed three new children to the Daisy group this month.

Aleena Ahmed is a very active little girl who is enjoying the outdoor area and is making lots of new friends.

Ella Fairley is settling in well and enjoys artistic activities and reading books.

Zara Khan has been visiting the Nursery with her mummy in preparation for when she starts in the middle of July. She particularly enjoyed playing outside.

Big Builds

We now have a fantastic construction area where the children have been using their imagination and building skills to build lots of different structures. They have been making houses, cementing walls and looking at different sizes of buildings. Some of the children made tall towers for climbing up and others made use of the bricks like ski's as a way of moving along the floor!

Thank you

Thank you to all parents' who purchased pictures of the children from Lottie Designs. The pictures were of a very high standard and the children enjoyed being in the limelight.

Many thanks to all the parents' and families who attended our end of year summer party. The children all had a great time on the bouncy castle and enjoyed decorating cakes with Miss Hornby. They also enjoyed having their faces painted by Miss Fox and Miss Morton. Mrs Brown enjoyed getting to know all the families.

BIRTHDAYS!

We have been very busy celebrating birthdays this term. Happy Birthday wishes went to: Evie and Max Gaston, Aysha Adam, Aysha Vose, Troy Mojaria and Aditi Garg.

A big goodbye

This summer our children have been using the Turtle Buggy to make trips to Pre-School at Billinge House where a number of children will be starting in the new term.

All staff would like to wish them a fond farewell and good luck in their new environment.

Reminders

Please would all parents be aware that the children must not wear open toe shoes.

Due to the recent sunny weather, please check that your child's sun cream is in date and that they have sun hats in Nursery.

Please be aware that any medication must be prescribed by a Doctor and that your child's name is clearly displayed for staff to see.

Any medication such as homeopathic medicines require a letter of consent in order for staff to administer this type of medication to a child.

Please make sure that you only put water in your child's water bottles.

Please be aware that girls need to have their hair tied back.
