Ongoing activities

- Career of the week information (see Career of the Week termly list)
- Lunchtime careers support drop in sessions
- Visiting speakers

The Careers Programme is delivered in PSHE lessons, assemblies, activity days and throughout the whole curriculum. Visiting speakers from industry, Universities, apprenticeship providers and alumni are invited to deliver sessions and take part in whole school events. Students can also access independent careers advice from Morrisby at Parents' Evenings or from the National Careers Service advisors online and by telephone.
