

## Baker Clause Policy Statement

At Westholme School we refer to the Gatsby Benchmarks to plan our CEIAG provision and understand the importance of educating our students in the range of education and training pathways available to them. We provide opportunities for students to receive information from education and training providers about apprenticeships, vocational and technical qualifications at relevant stages in their transition through school. These opportunities include assemblies, School HE Fair and Careers Convention and lunchtime drop in sessions.

We would consider offers from providers to visit school and speak to students. Please contact Mrs C Hibberd, Head of Careers at [hibberdc@westholmeschool.com](mailto:hibberdc@westholmeschool.com) .
