

ART, CRAFT & DESIGN/ PHOTOGRAPHY

WHY CHOOSE ART, CRAFT & DESIGN AND PHOTOGRAPHY?

Creativity is not just about the pursuit of artistic interest; it can open the door to exciting career opportunities for our students. Everything around us is designed, from the clothes we wear to the environments in which we live and work. The AQA Art, Craft & Design and Photography courses are flexible and stimulate creativity by offering a high degree of choice, allowing students to explore a range of media, processes and techniques to ensure that there is something suitable for all interests. The courses offer our students the opportunity to produce a portfolio of work that they can take to interviews for Higher Education or employment.
