June 2020

Dear Parent

We usually arrange a trip early in the year for an exciting team-bonding couple of days of activities. This enables the year group to gel with each other in a non-classroom environment, share some exciting memories and spend some quality time with their form tutors and Head of Year. This year, due to the pandemic, and in order for the experience to be of the same quality, we have decided to postpone it to later in the year and we will be going to PGL's Winmarleigh Hall near Garstang. The children will be doing a variety of fun outdoor activities such as abseiling, canoeing, raft building and high ropes led by qualified instructors. No previous experience is necessary, just plenty of enthusiasm!

School subsidise the trip, but there is a small cost. As soon as we can confirm exact dates, timings and costs I will be back in touch, but meanwhile, I include a leaflet about the centre to whet your child's appetite!

If you have any questions, please do not hesitate to get in touch by email: [kenealyz@westholmeschool.com](mailto:kenealyz@westholmeschool.com). I am very much looking forward to taking your child away on their first Senior School trip, as it is always a special and fun time away together as a year group.

Yours sincerely

Mrs Z Kenealy  
Assistant Head – Co-curricular
