

FRENCH

WHY CHOOSE FRENCH?

- To enable students to develop and build upon the skills acquired at GCSE
- To provide an insight into another culture and society
- To facilitate foreign travel and increases opportunities to study or work abroad
- To enhance employment prospects and improve self-confidence, analytical and communication skills

COURSE DETAILS

The new French A Level course will be two years long, with the option of gaining accreditation at the end of Year 12 (AS).

In Year 12 students will study a range of topics and will study either a book or a film.

In Year 13 students will study further topics based on social issues and a historical period, then an additional film or book (depending on the choice made in Year 12).

Examinations will be based on the four skills of listening, reading, writing and speaking.

RELATED SUBJECTS

Languages combine well with all other subjects to give you an extra string to your bow

For example:

- Biomedical Sciences
- Business Management
- Chemistry
- English Literature
- Marketing
- Mathematics
- Politics
- Sport Science

FURTHER INFORMATION

During their studies students can have the opportunity to go on a work experience placement in the country where their chosen language is spoken. Students also participate in culturally relevant events. Sixth Form students have the opportunity to mentor GCSE students.

HIGHER EDUCATION AND CAREERS

Having studied a Modern Foreign Language at A Level, students can progress their studies by completing a pure languages degree or combining a language with another discipline.

COURSE REQUIREMENTS

Grade 6 or higher at GCSE.
