Extract from School Strategic Plan 2022

Monitoring, evaluation and review

The School will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.

ETHOS

Westholme has a Protestant Christian foundation but “all its benefits shall be open to students of any creed”. (Articles of Association, 1968)

It is the ethos of Westholme that all students of all ages should be valued for their achievements and positive qualities. Throughout the community of Westholme, there will be respect for religious and moral values and acceptance of other races, religions and ways of life. All people who make up the community of Westholme should receive equality of opportunity with their peers. While knowledge of and respect for different cultures will always be encouraged, no-one should seek to impose his or her beliefs and practices upon others.

AIMS

- A vibrant, friendly, warm family community where pupils are happy and love coming to school
- First-class education of the whole person that enables all Westholmians to become the very best, well-rounded version of themselves
- Provide inspirational teaching that fosters a life-long love of learning and ensures every pupil exceeds their academic potential
- A workplace-ready philosophy, equipping our pupils with a 21st century skillset that fully prepares them for life beyond Westholme

OBJECTIVES

- Recruitment of appropriate numbers of pupils who can benefit from the School’s ethos in a suitably resourced environment.
- Pupil achievements and progress at a level of excellence comparable to the best in the country.
- The generation of funds and resources sufficient to support the continued achievement of the School’s aims, including enabling children to attend whose financial circumstances might not otherwise allow.

Signed

Mr B C Marsden
Chairman of Governors
