

# WESTHOLME

## ENRICHMENT PROGRAMME 2025

# Welcome to Enrichment 2025!

Welcome Year 11 and Year 13 students. Please enjoy looking through this packed and varied programme that we have put together for your final weeks of this Summer Term. We hope you find plenty of things that interest you and that you will enjoy doing with your friends, making memories, having a giggle, challenging yourselves, preparing for the next step or just trying something new.

Many of the activities are open to both year groups and are limitless in their numbers. Where there is a capacity restriction or it is for one year group only, this is indicated in the brochure. Booking will be allocated on a first-come first-served basis. Some activities have an associated cost – mainly the ones that are offsite trips and activities. Parents of students successful in gaining a place on a trip will be emailed with a link to pay for this activity via EVOLVE, please note that places on paid for activities are only confirmed once payment has been made in full (just like normal school trips!). Don't worry - Alton Towers is available to all and not limited in capacity!

Once you have read about all the opportunities open to you, please let us know which activities you would like to do by completing the Enrichment Options sign-up form, which has been emailed out to you by Miss Jackson.

We look forward to helping you all to celebrate the end of your examinations, providing opportunities for you to try something new and helping you to make the most of the final few days of term as you prepare to transition into the INSPIRED Sixth Form or prepare for the next step in your educational journey or career.

Tuesday 1 July

House Treat Day - Blackpool Pleasure Beach

Who: All

Cost: FREE (Only available to the winning House)

Join in with the Westholme community for the last House activity of the term where the winning House (announced after Sports Day) will all go on their reward trip to Blackpool Pleasure Beach. The thrills and spills of the rides, along with quirky charm that a seaside resort will bring, combine to give an enjoyable and memorable end to the school year.

Wednesday 2 July

A Level Art and Photography Trip

Who: All

Cost: £20

Join us for an inspiring gallery trip designed to support your transition from GCSE to A Level and fuel the creative journeys of our A Level art students. This trip will immerse you in a world of contemporary and classic art, offering fresh perspectives and ideas to ignite your passion. We're currently exploring a variety of exciting exhibitions, so the location is yet to be confirmed—but rest assured, we'll select something truly special from the incredible range of shows available. Whether you're looking for inspiration for your upcoming projects or simply want to experience the dynamic world of art, this trip will be a perfect blend of learning and creativity.

Indoor Bouldering

Who: Y11

Cost: £30 (Approximate cost)

After the stress of exams, it's time to climb your way to relaxation! Join us for an afternoon of indoor bouldering, where the only thing you'll be stressing about is how high you can get. Forget about grades and coursework —this is all about scaling walls, building strength, and having fun. Whether you're a seasoned climber or a complete beginner, it's the perfect way to unwind, challenge yourself, and maybe even discover your hidden inner spider-man. So, come on down, grab a pair of climbing shoes, and let's defy gravity (and the stress of exams) together.

## MedSOC Induction

**Who: All**  
**Cost: FREE**

Welcome to the Medical Society – the perfect place to kickstart your journey into the world of medicine and healthcare at our INSPIRED Sixth Form. Whether you're considering a career in medicine, dentistry, veterinary science, or simply have an interest in the science behind health, this society is for you. It's a chance to explore the fascinating world of medical practice through engaging discussions, guest speakers, and hands-on activities. You'll gain valuable insights into medical ethics, the latest breakthroughs, and real-world experiences, all while connecting with like-minded peers who share your passion. Get ready to dive deep into the field of medicine and lay the foundation for an inspiring and rewarding future!

.....

## Thursday 3 July

### A Level Geography trip to Malham Cove

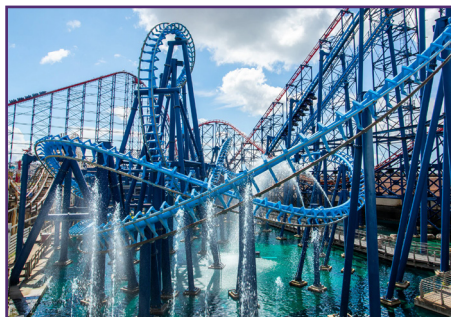

**Who: All**  
**Cost: £20 (Approximate cost)**

Join us for an unforgettable A Level Geography field trip to the stunning Malham Cove! This hands-on excursion will take you through some of the UK's most iconic natural landscapes, where you'll explore the fascinating geological features of the area. From the towering limestone cliffs of Malham Cove to the unique rock formations, this hike offers a perfect opportunity to apply your classroom knowledge in real life. As we walk through the picturesque countryside, you'll not only enjoy breathtaking views but also gather key data for your studies. It's the ideal way to connect theory with nature and immerse yourself in the beauty of the landscape while developing your geographical skills.
